# White, rosé + red

05

We love wine – and we think it shows. So, rather than simply offer a range of wines that are readily available on the high street, we've worked hard to create a wine list that's more interesting and rather more exclusive.

For our house wine, we've carefully selected wines from France and Australia that reflect our ethos, and we're pleased to offer you not one but two Mud Dock-branded house whites, two house reds and a house rosé.

What's more, we offer a great selection of wines by the glass. We're proud of the many different styles of wines we have to offer, and believe this makes it easy for you to try something new. After all, variety is the spice of life.

In summary, we think we've created a diverse selection of great quality wines that has something to suit every palate and every pocket. Cheers.

# Bottled beer

11

Bottled beer took off in popularity in the late 1980s. Ordering beer in a bottle rather than a glass became the height of fashion. But over the years it all got a bit boring. Everywhere you went you saw the same two or three brands (you know the ones we mean) in behind-the-bar fridges. So, in typical Mud Dock style, we've shaken things up and offer you a refreshingly varied selection of bitters and lagers. Give 'em a go.

# Cocktails

14

People often ask us, “What’s your favourite cocktail?” We tell them it’s the Saddle Sore. “How do you make that?” they ask. We explain that you have to start it early in the morning, just as the sun’s coming up. Take your bike and, ideally, several friends. Pedal all day until everything hurts – especially your smile. Then head back to Mud Dock and relax with something refreshing and more-than-just-a-little-bit alcoholic – like one of our cocktails.

Not only do we mix the classics such as Long Island Iced Tea, but we also have our own range of speciality cycling-themed ‘docktails’. And for those wishing to keep a clear head, we’ll be pleased to rustle up a deliciously refreshing non-alcoholic ‘mocktail’.

## **LONG ISLAND ICED TEA**

**£5.50**

Absolut, Bacardi, Bombay Sapphire, Triple Sec and tequila, shaken with sweet and sour, topped with Coke.

## **NON-ALCOHOLIC COCKTAILS**

**£2.50**

Long, refreshing fruit juice drinks to suit all tastes. Combinations of fruit juice, shaken with ice and served with a fresh fruit garnish.

## **MARGARTIA**

**£5.50**

Gold tequila, Triple Sec, sweet and sour, and fresh lime, served on the rocks or straight up. A drink to respect.

### **THE BERM**

### **THE BREAKAWAY**

As in the 1979 Peter Yates film 'Breaking Away' about a group of small-town teens in the US who were obsessed with Italian cycling. Archers, vodka and cranberry juice.

The perfect dockuccino. Take one regular cappuccino. Take a table overlooking the water (we'd go for one on the terrace – or one inside next to the windows, where the afternoon sun streams in). Add friends, and warm conversation. Alternatively, if you prefer your dockuccino solo-style, just add a good book or magazine. Finally, mix in some lightly chilled music. Sit back. Sip. Swallow. Enjoy.
